

GREEN TECH STATION Open House

Mark your calendars!

Thursday, July 22nd, 2021

**9:00am-1:00pm | Tours launch at 9, 10, 11, 12
Green Tech Station Address: 4101 N. 31st Street**

Green Tech Station is a brownfield redevelopment project that includes all types of green infrastructure in one location. The space is designed as an environmental education destination for schools and other groups, with an open-air pavilion serving as an outdoor classroom.

Check out the progress we've made, and see the possibilities for upcoming programming and events at the site. We want to see how you see yourself or your organization utilizing this unique space starting in the fall!

The in-person, outdoor event will be an open house format with tours starting each hour (9am, 10am, 11am, and 12pm). Coffee and snacks provided.

Please register via Eventbrite: bit.ly/gtsopenhouse

Anyone who requires an auxiliary aid or service for this event should contact Sarah Bregant at 414-444-8200 x.8104 or via email at sarah.b@nwscdc.org as soon as possible but no later than 72 hours before the scheduled event.

You're Invited!
